Summer Hi-lights

Our wonderful summer has come and gone and we hope you all had a chance to enjoy the nice weather. It was a busy and exciting summer at /SFC and if you missed any of our tenant events, here are links to the photo galleries:

PortsToronto

We have partnered with PortsToronto to bring the /SFC community a historical photo exhibit, **Making Connections to Toronto's Waterfront - a Historical Retrospective**.

Curated by PortsToronto, the exhibit showcases the incredible transformation that the city's waterfront has undergone over the last century. Photos selected from the rarely viewed PortsToronto Archive will feature the Port of Toronto and Harbour, Billy Bishop Toronto City Airport and other key points along the waterfront.

Don't miss this very special exhibit which is on display in the second floor PATH and 120 Bremner lobby till Friday, October 7.

/SFC Green Council Kick-Off!

We are pleased to announce the inaugural /SFC Green Council meeting is set for Monday, October 24, 2016 from 10:00 a.m. to 11:00 a.m. The Green Council is forming to create an opportunity for tenant representatives to gather on a quarterly basis and discuss sustainability at PwC Tower and Bremner Tower.

The Green Council will help not only drive greater participation by occupants in environmental and community-based projects but also enable deeper landlord-tenant engagement opportunities to help promote enhanced performance at the complex.

If you are interested in joining, call Meirav Even-Har, Sustainability Manager at: 416.364.0758 or email meirav.even-har@gwlra.com.
